

2016

CTS

DESIGNED  
WITH ONE  
RELENTLESS  
FOCUS.  
THE DRIVER.

2016 CADILLAC CTS

COMMAND  
THE ROAD AHEAD

---

From its remarkably powerful engines, to its driver-oriented cockpit, to a sleek aero-designed exterior, no detail has been overlooked. The result is a powerfully crafted sedan that embodies the driver.

**PART I**  
THE FEELING

WIELD RELENTLESS POWER

MAGNIFY THE DRIVING  
EXPERIENCE

CONTROL INGENUITY AT EVERY TURN

TAKE A POWERFUL STANCE

CHASE WHAT MATTERS.  
THE 2016 CTS.

**PART II**  
THE FEATURES

## PERFORMANCE

Road-ready. Track-tested. In 2014, the CTS was tested on Germany's famed Nürburgring. In 2016, the result is a heightened driver-focused and obsessively detailed sedan. Its powerful engines with better efficiency, responsive handling and impressive acceleration offer an exhilarating, smooth and tight drive.

### 3.6L V6 OR 2.0L TURBO ENGINES 8-SPEED AUTOMATIC TRANSMISSION

Power players. The available 3.6L V6 engine offers assured acceleration and 335 hp, along with Active Fuel Management for everyday efficiencies. The standard, potent 2.0L Turbo 4-cylinder engine delivers 268 hp and up to an EPA-estimated 31 highway mpg. Both are available with Auto Stop/Start technology.

Each engine is paired with a technically advanced 8-speed automatic transmission for quick shifting, immediate responsiveness and more efficiency.

### MAGNESIUM PADDLE SHIFTERS AND DRIVER-SELECTABLE MODES

Control total performance. Manually move through the gears of an 8-speed automatic transmission with paddle shifters that place control firmly in your hands. Plus, with your choice of driver-selectable modes (Tour, Sport, Snow/Ice, and with V-Sport models, Track), you can easily adjust the steering, suspension and transmission calibrations depending on your preference and road conditions.

### MAGNETIC RIDE CONTROL

Adjust to every inch of the road. Available Magnetic Ride Control reads and reacts to the road up to 1,000 times per second, maintaining precise body control and chassis composure for a smooth, seamless ride.

### ACTIVE FUEL MANAGEMENT

Efficient power. With the 3.6L V6 engine, Active Fuel Management activates all cylinders whenever you demand power and imperceptibly deactivates 2 cylinders when you don't.

### ALL-WHEEL DRIVE WITH ACTIVE TORQUE TECHNOLOGY

Sure footing in inclement weather. Available all-wheel drive maximizes stability and handling, delivering impeccable control in less-than-perfect driving conditions.

### BREMBO® PERFORMANCE BRAKES

Remarkable stopping power. The CTS features Brembo fixed-caliper, aluminum 4-piston front brakes that deliver responsive stopping and consistent pedal feel.

### NEAR-PERFECT 50/50 WEIGHT BALANCE

A long, light and strong frame. This RWD car is among the lightest in its class, the streamlined architecture makes for enhanced handling, quiet and driving dynamics. By using aluminum in the front shock towers and front suspension, Cadillac engineers achieved near-perfect front-to-rear weight distribution. Likewise, the aluminum alloy door structures save weight compared with traditional steel.

## V-SPORT

Even more adrenaline. The CTS V-Sport propels you with a Twin Turbo V6 engine and delivers 420 hp with 430 lb-ft of torque, bringing you from 0 to 60 in a staggering 4.4 seconds. And with standard Magnetic Ride Control, electronic Limited Slip Differential (eLSD), high-performance front Brembo® brakes and road-gripping Pirelli® summer-only run-flat tires<sup>1</sup>, you're firmly in control.

## V-SPORT PREMIUM

Unleash the enhancements. The CTS V-Sport Premium Collection features 20-way performance front seats, Tri-Zone Climate Control, heated outboard rear seats, a new HD reconfigurable gauge cluster with three layouts, including a V-Sport performance layout, full-color Head-Up Display (HUD), an UltraView Sunroof, Driver Assist Package and strikingly unique V-Sport 18" Ultrabright wheels.

1. Do not use summer tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [cadillacaccessories.com](http://cadillacaccessories.com) or see your dealer. Lower profile tires wear faster. Wheel and tire damage may occur on rough or damaged roads or from surfaces or from curbs, debris or obstacles. This damage is not covered by the GM New Vehicle Limited Warranty.

### ELECTRONIC LIMITED-SLIP DIFFERENTIAL

Grip the road. Its electronic Limited-Slip Differential (eLSD) automatically redirects power to the drive wheels with the best traction for better corner exit acceleration, while enhancing performance split between the rear wheels, making driving well-balanced mid-corner and maximizing corner exit acceleration in most road conditions.

### V-SPORT GAUGE CLUSTER

Prioritize performance. Customize your cluster with the V-Sport Premium and place a greater emphasis on your tachometer or mph. Or choose from two other reconfigurable themes for a tailored driving experience.

### HEAD-UP DISPLAY

Performance at a glance. Available Head-Up Display (HUD) projects vehicle data, such as speed, audio, navigation and performance onto the windshield, so you can stay updated while keeping your eyes on the road. Standard on V-Sport Premium Collection.

## INTERIOR

An interior that revolves around you. Tailor the CTS with your choice of interior environments. Select from available materials like cut-and-sewn interiors, full Semi-Aniline leather seating, exotic woods and carbon fiber, all skillfully fitted using expert craftsmanship.

### 20-WAY PERFORMANCE FRONT SEATS

---

Customizable comfort. Available full Semi-Aniline leather, 20-way performance front seats with power-adjustable seatback bolsters and manual thigh support provide total comfort for the driver and front passenger.

---

#### TRI-ZONE CLIMATE CONTROL

Custom comfort in every seat. Available Tri-Zone Climate Control allows the driver, front passenger and rear passengers to independently control their temperature settings. Rear passengers can also warm up with outboard heated seats.

---

#### ADAPTIVE REMOTE START

Enjoy a head start. Adaptive Remote Start allows the engine to be started from up to 100 yards away. The system can also detect the outside temperature and activate the available heated and ventilated seats accordingly.

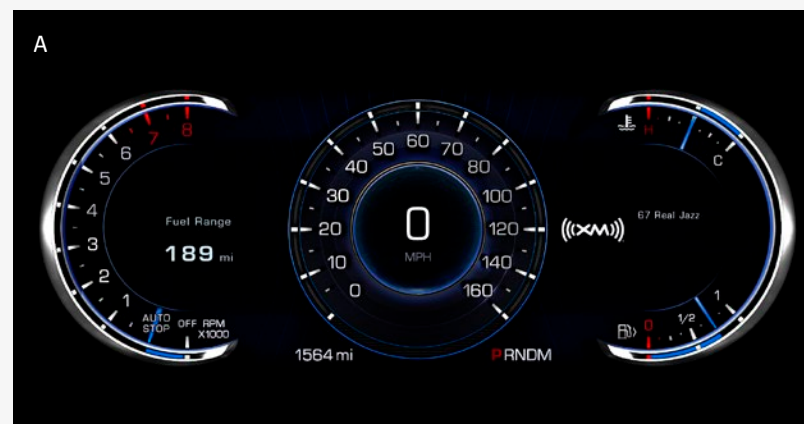

---

#### AMBIENT INTERIOR LIGHTING

Bring the finer things to light. Available ambient lighting subtly highlights the dash and door trim, showcasing the meticulous craftsmanship within.

### CUSTOMIZABLE 12.3" LCD DISPLAY

Your information, displayed your way. With either the Balanced (A) or Enhanced (B) themes, customize the display on the available 12.3" LCD screen. Easily view vital information, as well as content like navigation and entertainment in a full-color, HD cluster.

### REAR VISION CAMERA

See what lies behind. Rear Vision Camera automatically displays a live image of the area behind you on the Cadillac CUE® screen. Guiding lines on the image plot out your intended trajectory, helping you to see people and objects that might be in your path.

### SURROUND VISION

A brand new perspective. Available Surround Vision provides a bird's-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected on the Cadillac CUE screen, helps increase your awareness when parking or in reverse.

## TECHNOLOGY

Technology uninterrupted. Customizable features make every ride feel tailor-made to your preferences. From the standard Phone Integration technology to Wireless Charging<sup>1</sup>, the CTS is equipped with progressive technology that offers enhanced enjoyment and convenience.

### CADILLAC CUE<sup>®</sup>

Real-time updates at your fingertips. Simply touch the Cadillac CUE<sup>2</sup> screen and access a suite of information and entertainment offerings such as Pandora<sup>®3</sup> Radio, available enhanced 3-D GPS Navigation<sup>4</sup> and new for 2016, Phone Integration compatibility with Apple<sup>®</sup> CarPlay.<sup>5</sup> Plus later in the model year, Android<sup>™</sup> Auto.<sup>5</sup>

1. The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com. 2. Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth<sup>®</sup> and smartphone. Some devices require USB connectivity. 3. Data plan rates apply. 4. Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. 5. Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

### PHONE INTEGRATION

Powerfully connected. With Phone Integration compatibility for Apple CarPlay<sup>1</sup> and later in the model year, Android Auto<sup>2</sup>, you can access your contacts, music, information and more with just the touch of the Cadillac CUE<sup>2</sup> screen. Plus with voice-activated technology, every feature is easily accessible, so you can keep your attention on the road ahead.

### ONSTAR WITH 4G LTE AND BUILT-IN WI-FI<sup>®</sup> HOTSPOT<sup>3</sup>

Never miss an update. Available OnStar with 4G LTE is equipped with a built-in Wi-Fi hotspot that can host up to seven mobile devices, both inside the CTS and up to 50 feet away.

### WIRELESS CHARGING<sup>4</sup>

Cut the cord. With Wireless Charging, you can power your compatible devices anytime the vehicle is running.

### BOSE<sup>®</sup> TECHNOLOGY

Sumptuous sound. The premium 11-speaker Bose sound system plays your favorite music with crystal clarity. For a more immersive experience, the available 13-speaker Bose Surround Sound system features Centerpoint<sup>®</sup> 2 surround technology, delivering concert-like sound from nearly any stereo source.

### HEAD-UP DISPLAY

Stay focused and informed. The available Head-Up Display (HUD) with full-color interface conveniently projects speed, audio and navigation information onto the windshield with a variety of reconfigurable layouts. This system allows the driver to keep full attention on the road for a safer drive.

<sup>1</sup>. Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. <sup>2</sup>. Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. <sup>3</sup>. Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. <sup>4</sup>. The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see [my.cadillac.com](http://my.cadillac.com).

## EXTERIOR

Performance-inspired styling. A long, low, lean design philosophy manifests itself in the dramatic angles and sleek aerodynamics that keep the CTS firmly planted to the road. From the sculptural inlaid hood to the integrated rear spoiler, every detail adds up to a look that speaks to its capabilities.

### CRYSTALLINE LED LIGHTS

---

Brilliant. Hundreds of crystalline LED lights accentuate the CTS exterior, providing smooth illumination. Available High-Intensity Discharge (HID) headlamps are equipped with Adaptive Forward Lighting to precisely illuminate your path. And the decklid spoiler doubles as an LED center brake lamp, alerting those behind you when you press the brake.

---

#### INLAID HOOD

Dynamic even while standing still. The crisp, curved lines and sculptural elements of the inlaid hood yield a reflective, liquid-like surface so the CTS appears to be in motion, even when it's still.

---

#### ILLUMINATED DOOR HANDLES

Light up the night. Subtle lighting in the CTS door handles improves visibility while enhancing the long, chiseled lines of the exterior.

---

#### INTEGRATED REAR SPOILER

A sleek take on utility. The rear spoiler manages critical airflow for a firmly planted feel at higher speeds. At the same time, 48 bright LEDs illuminate when stopping as a signal to vehicles behind.

## SAFETY

Drive with confidence. The CTS was painstakingly designed to help keep you and your passengers safe. Available proactive features such as Forward Collision Alert and Side Blind Zone Alert help to detect and alert the driver to avoid potentially dangerous driving scenarios.

### SAFETY CAGE

---

The safety cage inside the CTS is constructed using ultra-high-strength steel and incorporates crumple zones to help absorb and manage crash energy. It's equipped with 10 standard air bags<sup>1</sup> including knee air bags<sup>1</sup> for the driver and front passenger and side-impact air bags<sup>1</sup> for rear passengers to help you feel well guarded.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

<sup>1</sup> Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

**SIDE BLIND ZONE ALERT<sup>1</sup>**

Your extra set of eyes. Side Blind Zone Alert monitors your blind spots. If a vehicle is in your path when you're changing lanes, a light on the side mirror illuminates to alert you, helping to avoid a collision.

**RAINSENSE WIPERS**

Better visibility in inclement weather. RainSense Wipers automatically engage when rainfall is detected. They also adjust their speed according to the rain's intensity so you can focus on the road, not the weather.

**LANE KEEP ASSIST WITH LANE DEPARTURE WARNING**

A safe direction. Lane Keep Assist gently turns the steering wheel if you approach a detected lane marking without using a turn signal. With Lane Departure Warning, you're alerted if you drift into another lane without using your turn signal.

**REAR CROSS TRAFFIC ALERT**

Progressive protection. Advanced sensors in the rear bumper alert you to vehicles approaching from either side.

**FORWARD COLLISION ALERT**

Always looking ahead. Forward Collision Alert uses camera technology to monitor traffic ahead and provide an alert if a potential collision is imminent.

<sup>1</sup> Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

#### INTELLIBEAM HEADLAMPS

Smarter illumination. Available IntelliBeam headlamps automatically switch to high beams when you're driving on dark roads. When sensors detect taillamps or oncoming headlamps, they're automatically switched back to low beams.

#### ADAPTIVE CRUISE CONTROL

Keep your distance. With the available Adaptive Cruise Control, a strategically placed radar and additional camera sensors monitor the gap of the traffic ahead to maintain a safe distance from vehicles to provide you with enough time to stop.

#### AUTOMATIC SAFETY BELT TIGHTENING

Protection you can feel. Available Automatic Safety Belt Tightening activates during emergency braking or sudden driver maneuvers. When conditions return to normal, they revert back again for your comfort.

#### FRONT AND REAR AUTOMATIC BRAKING

Braking when needed. Up to certain speeds, this available system senses potential front and rear collisions and automatically engages the brakes, helping to reduce the severity of the crash or may even help you avoid one at very low speeds.

## STANDARD FEATURES

### 2016 CTS Features

<strong>DRIVETRAIN</strong>	
<strong>2.0L Turbo Direct-Injection, VVT 4-Cylinder Engine</strong> With 268 hp and 295 lb-ft of torque with Auto Stop/Start	
<strong>Transmission</strong> 8-speed automatic with performance algorithm shifting	
<strong>Exhaust</strong> dual outlets with chrome tips	
<strong>Rear-Wheel Drive</strong>	
<strong>CHASSIS AND SUSPENSION</strong>	
<strong>Brakes</strong> Brembo® front, four-wheel vented disc with antilock braking system, Duralife rotors and featuring Auto-Dry and intelligent Brake Assist	
<strong>Steering</strong> ZF premium, speed-sensitive, variable-effort power rack-and-pinion, electric system	
<strong>Suspension, 4-wheel Independent</strong> Front MacPherson-type with dual lower ball joints, twin-tube struts and direct-acting stabilizer bar; rear five-link with twin-tube shocks	

### EXTERIOR

<strong>Active Aero Grille Shutters</strong>	
<strong>Grille</strong> With Galvano satin-chrome accents	
<strong>Lighting</strong> Projector halogen headlamps with LED vertical light signatures Adaptive forward lighting Daytime running lamps	
<strong>Mirrors</strong> Body color, power, heated, with integrated turn signal indicators	
<strong>Solar-Absorbing Windshield</strong>	
<strong>Spoiler</strong> Rear decklid integrated with LED Center High-Mounted Stop Lamp (CHMSL)	
<strong>Wheels</strong> 17" aluminum wheels with painted finish (see inside back cover for more details)	
<strong>Windshield Wipers</strong> Driver-selectable variable speed	

### INTERIOR

<strong>Adaptive Remote Start</strong> Activates heated/ventilated seats (if equipped), climate control system and rear defroster	
<strong>Air Filtration System</strong> Automatic air circulation and air quality	
<strong>Armrest</strong> Center front and rear with hidden storage	
<strong>Audio</strong> Cruise Control and Driver Information Center (DIC) controls	
<strong>Audio System</strong> Bose® premium 11-speaker sound system	
<strong>Bluetooth</strong> <sup>91</sup> Hands-Free Calling and data-service streaming with natural voice recognition	

**1.** Go to [my.cadillac.com](http://my.cadillac.com) to find out which phones are compatible with the vehicle.
**2.** Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.
**3.** Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations.
**4.** If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit [siriusxm.com/navtraffic](http://siriusxm.com/navtraffic). For more information about Travel Link, visit [siriusxm.com/travelink](http://siriusxm.com/travelink). XM satellite service is available only to those in the 48 contiguous U.S.A. and D.C. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc.
**5.** Not compatible with all devices.
**6.** The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see [my.cadillac.com](http://my.cadillac.com).
**7.** Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner’s Manual for more information.
**8.** Does not include emergency or security services. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations.
**9.** Requires compatible mobile device and active OnStar subscription. Visit [onstar.com](http://onstar.com) for details and system limitations.
**10.** Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
**11.** Before making a lane change, always check the Side Blind Zone Alert display and the side and inside rear mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal.
**12.** Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information go to [cadillacaccessories.com](http://cadillacaccessories.com) or see your dealer.
**13.** Adaptive Cruise Control is no substitute for the driver’s personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.
**14.** Vehicles equipped with these linings will experience faster accumulation of brake dust on wheel surfaces and may produce more noise than with standard linings.

**Cadillac CUE**<sup>®</sup> (**Cadillac User Experience**)<sup>2</sup> Information and media control system with 8" diagonal full-color LCD capacitive multi-touch screen and Siri<sup>®</sup> Eyes Free and SMS text message alerts  
**Climate Control**  
**Console Center** Front with integrated shifter, covered storage and two cupholders with motorized cover  
**Console, overhead** includes OnStar control and reading lamps; also includes universal home remote, UltraView Sunroof and power rear-window sunshade controls (if equipped)  
**Cruise Control** Electronic, with set and resume speed  
**Door Locks** Power programmable with lockout protection  
**Dual-Zone Automatic Climate Control** With individual settings for driver and front passenger and Automatic Moisture Detection and Defogging

**Electronic Parking Brake**  
**Floor Mats** Carpeted front and rear  
**Gauge Cluster** With full-color reconfigurable Driver Information Center display  
**Glove Box** Electronic push-button opening  
**HD radio**  
**Keyless Access** EZ Key full Keyless Access offers keyless entry to all doors and trunk  
**Keyless Ignition** With Push-Button Start  
**Lighting** LED lighting for glove box, front cupholders, overhead console, front and rear passenger footwell, map pockets, rear assist handles and cargo area

**Magnesium Paddle-Shift Controls** On steering wheel  
**Memory Package** Two presets for driver’s seat position and outside mirrors, and vehicle exit preset function  
**Mirror** Frameless automatic-dimming rearview  
**OnStar 4G LTE** With built-in Wi-Fi hotspot for up to seven devices<sup>3</sup>; includes a three-month or three-gigabyte data trial, whichever comes first  
**Power Outlets** Three auxiliary  
**Rear Vision Camera** Includes “guidelines” indicating the vehicle’s projected path when vehicle is put in reverse  
**Rear Window Defroster**

**Retained Accessory Power** Power windows, audio system and sunroof (if equipped) remain operational after ignition is switched off for 10 minutes or until driver’s door is opened  
**Seating**  
5-Passenger  
Front bucket  
Rear, fixed seatback includes fold-down center armrest, integrated storage, dual cupholders and trunk access door  
Head restraints, 4-way adjustable front and 2-way adjustable outboard rear  
Driver and front-passenger 12-way power adjustments, plus 2-way power lumbar adjustments

**SiriusXM Satellite Radio**<sup>4</sup> With three-month trial  
**Steering Wheel** Leather-wrapped rim, with Audio, Driver Information Center and cruise controls and Manual-Adjustable Rake and Telescope  
**Universal Home Remote** 3-channel  
**USB ports**<sup>5</sup> Three with auxiliary audio connectivity  
**Visors** Driver and front passenger illuminated vanity mirrors  
**Windows** Power, with front and rear express-up/-down; includes rear passenger lockout  
**Wireless Charging**<sup>6</sup> Inductive charging system for portable devices

<strong>SAFETY AND SECURITY</strong>	
<strong>Air Bags</strong> <sup>7</sup> Driver and front-passenger frontal, front-seat thorax and pelvic, rear thorax for outboard seating positions, side-curtain and driver and front-passenger knee <strong>Audible Alert Theft-Deterrent System</strong> <strong>Electronic Stability Control System</strong> StabiliTrak <sup>®</sup> <strong>OnStar Basic Plan</strong> <sup>8</sup> For 5 years, including limited RemoteLink mobile app <sup>9</sup> services, Vehicle Diagnostics and Dealer Maintenance Notification <strong>OnStar Guidance Plan</strong> <sup>9</sup> Standard for one year, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation and more (trial excludes Hands-Free Calling minutes) <strong>Rear Park Assist</strong> <strong>Safety Belts</strong> Lap and shoulder belts for all positions with belt-to-seat mounting and pretensioners for driver and front passenger, rear outboard comfort guides <strong>Traction Control</strong> All-speed with brake and engine intervention	

#### AVAILABLE FEATURES

**All-Wheel Drive**  
**Navigation**<sup>10</sup> Integrated with Cadillac CUE and includes voice and text guidance; includes Bose 13-speaker Centerpoint<sup>®</sup> Surround Sound system (requires Leather Seating Package)  
**Seating Package** Includes leather seating surfaces, heated/ventilated driver and front passenger seats, outside, heated, power-adjustable, driver-side auto-dimming, body-color, manual folding mirrors with integrated turn signal indicators and puddle lamps, ambient lighting on instrument panel and door, heated power tilt and telescoping steering wheel

#### LUXURY

<strong>Enjoy 2016 CTS Features + these enhancements:</strong>	

**Bose 13-speaker Centerpoint Surround Sound System** (requires navigation)  
**Driver Awareness Package** Forward Collision Alert, Side Blind Zone Alert,<sup>11</sup> Lane Change Alert, Rear Cross Traffic Alert, Lane Keep Assist with Lane Departure Warning, IntelliBeam headlamps, Safety Alert Seat and Rainsense Wipers  
**Lighting** HID headlamps with LED vertical light signatures  
Adaptive Forward Lighting  
Ambient Interior Lighting on instrument panel and doors  
**Mirrors** Body color, power, heated, driver-side auto-dimming, with integrated turn signal indicators and puddle lamps  
**Navigation**<sup>10</sup> Integrated with Cadillac CUE and includes voice and text guidance

**Seating Package** Includes leather seating surfaces, heated/ventilated driver and front passenger seats, outside, heated, power-adjustable, driver-side auto-dimming, body-color, split-fold rear seats, manual folding mirrors with integrated turn signal indicators and puddle lamps, ambient lighting on instrument panel and door, heated power tilt and telescoping steering wheel  
**Steering Wheel** Heated rim with power-adjustable rake and telescoping column  
**UltraView Sunroof** Power, tilt-sliding, electric with express-open/-close over front-row seating and power sunshade  
**Windshield Wipers** Automatic Rainsense Wipers with moisture detection  
**Wheels** 17" aluminum wheels with Ultrabright finish (see inside back cover for more details)

#### AVAILABLE FEATURES

**3.6L Direct-Injection, VVT V6 engine** (LGX) with 335 hp and 285 lb-ft torque, Auto Stop/Start and Active Fuel Management  
**All-Wheel Drive**  
**V-Sport Package** Includes 18" V-Sport Midnight Silver aluminum wheels, summer-only tires,<sup>12</sup> sport suspension, Magnetic Ride Control, V-Sport Brake Package and V-Sport badged steering wheel  
**Wheels** (see inside back cover for more details)  
18" aluminum wheels with premium painted finish  
18" aluminum wheels with polished finish

#### PERFORMANCE

<strong>Enjoy Luxury Features + these enhancements:</strong>	

**Door Handles** Illuminating  
**Head-Up Display** Full-color, configurable  
**Heated Rear** Outboard seating positions  
**Magnetic Ride Control**  
**Park Assist** Front and Automatic Parking Assist (parallel and perpendicular)  
**Power Outlet** 110V household-style power outlet located in front center console  
**Sunshades** Power rear, manual rear side  
**Surround Vision** Bird’s-eye view of vehicle  
**Tri-Zone Climate Control** For driver, front passenger and rear seating areas  
**Wheels** 18" aluminum wheels with premium painted finish (see inside back cover for more details)

#### AVAILABLE FEATURES

**3.6L Direct-Injection, VVT V6 engine** (LGX) with 335 hp and 285 lb-ft torque, Auto Stop/Start and Active Fuel Management  
**Advanced Security Package**  
**All-Wheel Drive**  
**Driver Assist Package** Adaptive Cruise Control<sup>13</sup> Front/Rear Automatic Braking and Automatic Safety Belt Tightening, **Seat And Cluster Package** 20-way performance full-leather driver and front passenger seats; reconfigurable high-definition gauge cluster, with two themes: Enhanced and Balanced; and aluminum sport pedals  
**Seating** Semi-Aniline full-leather  
**V-Sport Package** Includes 18" V-Sport Midnight Silver aluminum wheels, summer-only tires,<sup>12</sup> sport suspension, Magnetic Ride Control, V-Sport Brake Package and V-Sport badged steering wheel  
**Wheels** (see inside back cover for more details)  
18" aluminum wheels with polished finish  
19" aluminum wheels with polished finish

## V - SPORT

### Enjoy Luxury Features + these changes:

**3.6L Direct-Injection, DOHC, VVT, V6 Twin Turbo** With 420 hp and 430 lb-ft of torque with performance modes including cornering control, fast off and brake assist  
**Rear Wheel Drive**  
**Automatic Parking Assist** Includes front, rear, parallel and perpendicular parking assist  
**Brakes** Brembo front, performance, 4-wheel antilock, 4-wheel disc  
**Electronic Limited Slip Differential (eLSD)**  
**Gauge Cluster** With full-color reconfigurable Driver Information Center display  
**Grille** With black chrome accents  
**Park Assist** Front and rear  
**Steering Wheel** Leather-sport  
**Wheels** 18" aluminum wheels with Midnight Silver premium painted finish (see inside back cover for more details)

NOTE: Sunroof not available on V-Sport	

#### AVAILABLE FEATURES

**Performance Brake Linings**<sup>14</sup>

#### PREMIUM

<strong>Enjoy Performance Features + these enhancements:</strong>	

**Advanced Security Package**  
**Aluminum Sport Pedals**  
**Driver Assist Package** Adaptive Cruise Control,<sup>13</sup> Front/Rear Automatic Braking and Automatic Safety Belt Tightening,  
**Gauge Cluster** Reconfigurable, high-definition with two themes: Enhanced and Balanced  
**Seating** Full-leather, 20-way performance driver and front passenger seats  
**Wheels** 18" aluminum wheels with polished finish (see inside back cover for more details)

#### AVAILABLE FEATURES

**3.6L Direct-Injection, VVT V6 Engine** (LGX) with 335 hp and 285 lb-ft torque, Auto Stop/Start and Active Fuel Management  
**All-Wheel Drive**

## OWNER BENEFITS

We have created the most comprehensive suite of owner benefits offered by any prestige automotive brand in the world, providing everything our Cadillac owners need and everything they deserve.

### PREMIUM CARE MAINTENANCE

The Cadillac Premium Care Maintenance program<sup>1</sup> covers routine oil changes, tire rotations, certain air filter replacements and a thorough multi-point vehicle inspection for 4 years or 50,000 miles.<sup>2</sup>

### WARRANTY PROTECTION

All Cadillac vehicles come with a 6-year or 70,000-mile<sup>3</sup> Powertrain Warranty. In addition, our 4-year or 50,000-mile<sup>3</sup> bumper-to-bumper limited warranty covers repairs on your entire vehicle, including parts and labor, to correct any concerns in materials or workmanship.

### ROADSIDE ASSISTANCE

Cadillac offers more years of standard Roadside Assistance than any leading luxury automaker, with services for 6 years or 70,000 miles.<sup>3</sup> This 24/7 program provides lockout, towing, refueling, Dealer Technician Roadside services and more.

### COURTESY TRANSPORTATION

This program provides alternative transportation and/or reimbursement of certain transportation expenses if your Cadillac requires warranty repairs for 6 years or 70,000 miles.<sup>3</sup> That is more years of service standard than any leading luxury automaker.

### MY CADILLAC APP<sup>4</sup>

The ingenuity of the CTS doesn't stop with the vehicle. As a Cadillac owner, an advanced app is available for your new car. From virtually anywhere at any time, a few taps of your finger on your iPhone<sup>®</sup> or Android<sup>™</sup> smartphone let you access features such as parking reminders, Roadside Assistance and more. Plus, in conjunction with the OnStar RemoteLink app, you'll have the ability to remotely start your vehicle (when factory-equipped with remote start) from any place you have cell service and lock and unlock your doors. In addition, you can access key diagnostic information, including fuel tank level and range and remaining oil life.

**1.** Standard on all 2011 or newer vehicles. **2.** Whichever comes first. See dealer for select scheduled maintenance details. **3.** Whichever comes first. See dealer for limited warranty details. **4.** Requires iPhone or Android mobile device. **5.** Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. Services vary by model. **11.** Requires compatible mobile device and

## ONSTAR

Standard for one year, the OnStar Guidance Plan<sup>5</sup> (trial excludes Hands-Free Calling minutes) lets you connect to a specially trained OnStar Advisor just by pushing the blue OnStar button in your CTS.

### AVAILABLE ONSTAR 4G LTE AND BUILT-IN WI-FI<sup>®</sup> HOTSPOT<sup>6</sup>

Now your CTS has an available built-in Wi-Fi hotspot, for connecting up to seven tablets, laptops or other devices at 4G LTE speed, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3 gigabyte data trial (whichever comes first).

### ONSTAR BASIC PLAN<sup>7</sup>

With the Basic Plan, you've got a powerful connection to your vehicle and the world around you standard for five years at no additional cost to you. You'll have access to select services, which include limited features of the OnStar RemoteLink mobile app that lets you remote start your car, pinpoint your vehicle on a map on your smartphone and manage your vehicle's Wi-Fi hotspot. Plus, send a destination to your in-vehicle navigation screen (if equipped) and lock or unlock your doors—all from your mobile device. Your vehicle can run diagnostic checks on itself and remind you of servicing needs by email.

### AUTOMATIC CRASH RESPONSE

In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

### EMERGENCY SERVICES

One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

### CRISIS ASSIST

During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

### ROADSIDE ASSISTANCE<sup>8</sup>

If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

### STOLEN VEHICLE ASSISTANCE<sup>9</sup>

If your vehicle is stolen, OnStar can use GPS to pinpoint and work with authorities to quickly help recover it. On many models, an Advisor can send a signal to slow the vehicle or prevent it from being restarted. And with the new Theft Alarm Notification feature, if your car alarm sounds, you'll receive a notification by text, email or phone call.

active OnStar subscription. Visit [onstar.com](http://onstar.com) for details and system limitations. **12.** Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic locks. Remote start requires factory-installed and enabled remote start system. **13.** OnStar Hands-Free Calling requires an existing OnStar service contract and available minutes. Not available in certain markets. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. **14.** Not available on Basic Plan. Valid offers can vary. Check AtYourService through the RemoteLink mobile app for latest offers. **15.** Capabilities vary by model. Visit [onstar.com](http://onstar.com) for details and system limitations. Message and data rates may apply. Requires active OnStar service, email address on file and enrollment in Advanced Diagnostics.

### TURN-BY-TURN NAVIGATION<sup>10</sup>

Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Destinations are quickly downloaded to your car, and a voice calls out every turn. An Advisor can also help you with a database of over 14 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the OnStar RemoteLink mobile app.

### ONSTAR 4G LTE CONNECTION<sup>5</sup>

With powerful 4G LTE connectivity built right into your vehicle, you have your very own mobile command center that provides faster service delivery and lets you stay connected on the go.

### ONSTAR REMOTELINK MOBILE APP<sup>11</sup>

You can remotely start your vehicle, locate your vehicle on a map, lock or unlock your doors, honk your horn and flash your lights. You can also send destinations to your vehicle through your smartphone.

### REMOTE SERVICES<sup>12</sup>

A simple call to an OnStar Advisor can send a signal to unlock your doors, honk the horn and flash the lights or remote start your vehicle. It's technology hard at work to get you back on the road.

### HANDS-FREE CALLING<sup>13</sup>

Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

### ATYOURSERVICE<sup>14</sup>

OnStar AtYourService is a new way to discover value in the places you go. You get valuable offers for better ways to eat, shop, work and play, through a simple push of the blue OnStar button

### ADVANCED DIAGNOSTICS<sup>15</sup>

Feel confident and safe knowing you have a self-diagnosing vehicle. Now your vehicle can easily run a check on its key systems and send you a monthly diagnostics report. You'll know more and worry less with Advanced Diagnostics.

### DEALER MAINTENANCE NOTIFICATION<sup>15</sup>

Is it time for a tire rotation? An oil change? Or a new air filter? You'll always know because your car can email your diagnostics report to the dealer when it's time, and the dealer will contact you to set up a service appointment.

## ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

### ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

### ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

### UPDATED SERVICE INFORMATION

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-782-4356 or by visiting [www.helminc.com](http://www.helminc.com).

### NEW-VEHICLE LIMITED WARRANTY

World-class coverage comes standard on every 2016 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

#### COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)

Powertrain limited warranty with no deductible, Roadside Assistance Program<sup>1</sup> and Courtesy Transportation Program<sup>1</sup>

#### COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)

Bumper-to-bumper coverage. Tires—defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.

### RUST-THROUGH COVERAGE

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years and unlimited mileage. Cosmetic or surface corrosion—resulting from stone chips or scratches in the paint, for example—is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

### FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.

<sup>1</sup> Roadside Assistance Program and Courtesy Transportation Program are not part of the New-Vehicle Limited Warranty. A separate booklet titled, "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.

Standard on CTS V-Sport Premium Collection; includes performance, summer-only<sup>2</sup> run-flat tires

<sup>1</sup> Low-profile tires wear faster, and wheel and tire damage may occur on rough or damaged roads from surfaces or curbs, debris or obstacles. This damage is not covered by the GM New Vehicle Limited Warranty. <sup>2</sup> Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [cadillacaccessories.com](http://cadillacaccessories.com) or see your dealer. Low-profile tires wear faster, and wheel and tire damage may occur on rough or damaged roads from surfaces or curbs, debris or obstacles. This damage is not covered by the GM New Vehicle Limited Warranty.
